

Arizona Congressional District 1 Communities Benefit From LSTA Funds

Federal funds administered by the Institute of Museum and Library Services provide access to electronic resources and literacy programs for all Arizona citizens. In addition, funds are distributed to community libraries through competitive subgrants. In 2014, CD 1 libraries used LSTA awards to:

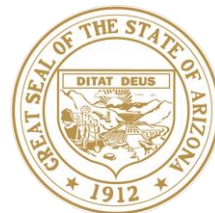

- Purchase almost 1000 new ebooks in Navajo County.
- Introduce hundreds of children to STEM activities.
- Help job seekers learn digital skills in Casa.
- Digitize and preserve hundreds of historical items in Greenlee County and Eloy.
- Improve children's reading skills in Globe.

Support from LSTA funds helped us prove the value of funding a position that supports teen programming and Teen Library hours. [We gained] approval for full funding of the position's part-time salary for fiscal year 2016.
